Letter from the President;

Dear Creole Members,
We had an active May meeting with many members participating .
Thank you to Scott Goodstal for the watch workshop, even if you aren't interested in watch repair Scot's presentation was easy to follow and fascinating. Scott will have more watch curiosity's for us at the July 21 meeting . There were several interesting Show & Tell items with the letters J & K . There was a discussion about Free mart tables for our November Regional to encourage attendees to bring plenty of horological items .

Nick Bonura is going to do a program "E. C. Brewster Clocks: Beginning to End - Weight Driven to Brass Springs to Steel Springs."on Brewster at our November Regional. Our Exhibit this year is Brewster clocks, check with Nick & Ben if you have something to display. I will be heading to the National Meeting at York PA in July and will miss our July meeting. I'll fill you in on the goings on there in the September newsletter.
